## DON'T HAVE TO BE SCARY THIS HALLOWEEN!

\_\_\_\_\_ wants you to know about food allergy safety on Halloween!

**H** - Hey it's Halloween!

**A** - Always remember some kids have food allergies.

**L** - Let me explain!

**L** - Lots of kids (like me!) could get VERY sick from certain candies and foods.

**O** - Oh don't worry, I'll be okay! I just have to be a little more careful on holidays like Halloween!

**W** - We kids just ask you be careful on what candy or food you bring to school/what you hand out.

**E** - Everyone with allergies would be SO grateful!

**E** - Even with allergies, we are normal kids who LOVE Halloween and yummy candy!

**N** - Now that you know, let's get out there and enjoy Halloween!
